**PETITION TO ACCEPT MISSING PARTS**

Sir:

On checking the file of the above-identified application during our routine docketing procedure, Counsel noted that although this application was filed in April of 2004, the notice to file missing parts still had not been received. Further, there was no information available in the USPTO PAIR system.

Numerous telephone calls were then made to the OIPE to check the status of this application, only to be advised that the system was "down". Finally, on October 18, 2004, Ms. Robinson of the OIPE advised that a Notice to File Missing Parts issued on June 25, 2004. Counsel advised that this Notice was not received, and requested that a copy be forwarded to us, via telefax, in view of the now extended term of October 25, 2004. However, this Notice was never received by the undersigned.

Therefore, on October 20, 2004, still another telephone call was made to the OIPE. We spoke to Monica Young, who advised us to forward all missing parts to the Office of Petitions setting out the circumstances and requesting that the extension fees be waived, since this could not be done by the OIPE. Ms. Young immediately telefaxed copies of the Notice and the Official Filing Receipt (copies enclosed).

Counsel, therefore, respectfully requests that the two month extension of time fee be waived, and also respectfully requests that the petition fee be waived in view of the circumstances set out above.

---

In response to the Notice to File Missing Parts dated June 25, 2004, which was received by telefax on October 20, 2004, applicant respectfully submits the following documents to be entered into the file of the above-identified application:

1. Copy of Telephonic Notes of October, 2004 on PTO PAIR Page;
2. Telefax Copies of Notice to File Missing Parts and Official Filing Receipt;
3. Preliminary Amendment;
4. 13 Pg. English Language Application, including 8 claims and a 1 page Abstract;
5. Executed Declaration/Power of Attorney;
6. Assignment Recordal Cover Sheet w/ Cert. of Mailing;
7. Executed Assignment Document;
8. Certified Copy of Japanese 2003-118918; and
9. Check-Amt. \$235.00 - No. 5117  
(Surcharge for English Translation/Oath/Assignment Recordal - SMALL ENTITY).

Counsel verifies that to the best of his knowledge, the translation provided is a true and accurate translation of the Japanese priority document, as filed.

Since all formalities have now been addressed, it is respectfully requested that the above-identified application be passed on to examination, and further that receipt of the certified copy be acknowledged in the first Official Action.

Further, although the undersigned believes no further fees should be required, if any fees are deemed necessary, the Commission is authorized to charge our Deposit Account No. 14-1431.

Respectfully submitted,
